Hey Darren,

Absolutely with a couple of additions. Wednesday might be a bad day (weather wise), so we might have the option of telecommuting. Also, I would like to get Shawn more involved in our conversations, so if we talk I will get us all a call-in number.

Thanks,

Mike

Hi Mike,

By Wednesday I'd like to send you an email regarding where we stand on the budget (broken down by task), along with a date that we can complete the Hennis ATP work.

I also want to provide you any preliminary research we have on the Evelyn and Wynona mines. My day is fairly busy tomorrow, but if you had time to talk on Wednesday - that would be great. Thanks, Mike.

Best,
Darren
